

# LiveTutors & Coaches

Creating the conversation & feedback so learners take action

## LiveTutors

- Lead credible and realistic virtual practice situations
- Broad cross-sector knowledge of business environments
- Professionally trained in the Performing Arts with specialty in improvisation
- Qualified through our rigorous certification process
- High levels of cross cultural awareness

## Feedback Coaches

- Provide high quality, unbiased feedback on a variety of development topics
- Deep expertise in interpersonal and leadership behavioural coaching
- Often with assessment centre experience
- Cross culturally sensitive
- Quality reinforced by a rigorous report generation process

*“You were fantastic at assimilating the participants' situations and playing the required roles. Very realistic characters indeed.”*

*“Thanks so much for the feedback – I found it very enriching. The way you personalised it made it particularly helpful!”*
